Ice Cream From Manning's Dairies!

Proudly serving farm fresh homemade Manning's Dairy Farm ice cream!

Every scoop starts with the food grown on the farm that is fed to the cows. The cows like to eat the homegrown crops, and happy cows are productive cows. Cows are milked twice a day, every day.

The milk is processed & bottled on site, used to make ice cream, and then delivered to our store.

Check out our blackboard for additional seasonal flavors & our current flavor of frozen yogurt.
